Suzuki Lessons

*with Suzanne Higgins,
Amy Renak, Tari Wheeler Roosa,
Alice Spatz, Bing Liu*

Suzuki is the world-renowned method for learning an instrument at a very early age. The program consists of a combination of private and group lessons. Smaller size violins, cellos, double basses, flutes, and guitars are available for rent from BMS. For piano you must have a keyboard at home. We strongly urge parents and children to enroll in the Introduction to Suzuki course either concurrently with or prior to enrolling for Suzuki instruction.

KinderChoir I & II

with Carolina Carry

KinderChoir I is designed for children of pre-school age. During the course of the year children will learn singing and music fundamentals through songs, nursery rhymes, musical and listening games.

KinderChoir II is intended for children in kindergarten and first grade. The children will learn fundamentals of choral singing through activity songs and dances and work towards one final performance.
